Dear Parents/Carers

## NEW YEAR 7 INFORMATION EVENING

We are writing to you, at the end of what we hope has been an exciting first two weeks for your son/daughter, to invite you to next week's Year 7 Information Evening.

At the meeting, we will be introducing you to the members of staff who will be supporting your child throughout the next five years and explaining how our assessment systems work. The Heads of Department for English, mathematics and science will share with you key information about the year ahead in their subjects, and we will introduce you to your child's Learning Leader.

After the presentation, your child's tutor will be available to discuss any questions you may have about how your child has settled at our school.

The meeting should last approximately 45 minutes and there will be two sessions available, one that starts at 5.00pm and one that starts at 6.15pm. Could you please indicate on the slip below (or on your email response) which session you would prefer to attend?

We know that pupils do best when we are able to build strong partnerships between home and school, in which we all work together to support your child. With that in mind, I hope you will be able to attend Thursday evening and look forward to meeting you.

Yours faithfully

Miss C Honess  
Deputy Headteacher – Achievement
