8 April 2021

Dear Parent/Carer

We have received information from [Ideas Test](#) who have put together a new and exciting project to support local people in Medway and Swale. [You Me Us](#) aims to reduce feelings of loneliness and social isolation through creativity. They have commissioned four artists, chosen by a community panel, to lead groups to create poetry, stories, art, and music between April and June 2021.

You do not need to have any materials or be brilliant at art - it's about connecting with people in your community and attempting something creative.

If you want to join in with the groups, make sure you sign up by **Wednesday 14 April**. Or, if you don't have time or do not want to join a group, there will also be other ways to get involved with the mini version, [You Me Us Lite](#).

There is more information about the project and how to get involved [here](#), or on the [Ideas Test website](#). You can also join their community [Facebook group](#) to see what people are making and share ideas and tips.

Yours faithfully

Mrs A Giles  
Assistant Headteacher
