## Tassomai

Next week we will be launching an exciting new revision programme called Tassomai. This programme is app based and relies on being used little and often to help with retention of core ideas and knowledge. It guarantees anyone who completes 80% of the course will achieve at least a grade 5.

Pupils will need to sign up via the website following these steps:

- Visit [app.tassomai.com/signup](http://app.tassomai.com/signup)
- Enter your school's unique code: **I9Y8U6ZY**
- Enter their details
- Choose the correct class or classes from the dropdown menu (they will need to join a class for each subject).

\*Please note that students will need to sign up on a browser. Once they have signed up they can use the free app to log in.

Pupils will be told about this in an assembly on Monday 26<sup>th</sup> April and will use this week as an exploration period to get signed up and start looking at the daily quiz's that are available. Teachers will then be looking to implement this as homework from the week commencing Monday 3<sup>rd</sup> May. All the information pupils need, along with the answer to some frequently asked questions will be posted on their Year 10 Google classroom hub.

Please click on the links below if you would like more information on the programme from a parent's perspective.

## Online OSL sessions

We are also really pleased to announce the start of Online OSL beginning from Monday 26<sup>th</sup> April. The OSL will be videos recorded by departments and uploaded to their google classroom, this will be for core subjects and scheduled is as follows:

Maths - Tuesday  
English - Wednesday  
Science – Thursday

Pupils will receive 'Bus Points' for every OSL session they complete.
